On our Cover: Monterey County Office of Education's Parent Conference 2015

The Monterey County Office of Education held Parent Conferences on October 10, 2015 and February 20, 2016 at Hartnell College in Salinas. With a theme of "*Education: The Path to Success*," the conferences aimed to provide parents and family members with the knowledge, skills, and support to enrich their child's development and lead them to achieve a more rewarding educational experience. Providing an array of sessions on early childhood, elementary school years, and middle and high school years, each parent workshop highlighted the fundamental ways parents can help their students to succeed.

In collaboration with Entravision, California State University Monterey Bay, Hartnell, MPC, First 5 Monterey County and the Early Childhood Development Initiative, along with several other community organizations that support parent education and engagement, the Monterey County Office of Education is working to bring families more tools to engage in their children's lives.

More resources for parents can be found on the Monterey County Office of Education website at [www.montereycoe.org](http://www.montereycoe.org)

# DIRECTORY OF NON-PUBLIC SCHOOLS

California State Education Code Section 33190 requires all private elementary and high schools to annually register with the State Superintendent of Public Instruction. Education Code Section 48222 provides that attendance at a private school exempts a child from compulsory attendance at a public school only if the private school has met the requirements of Education Code Section 33190.

The California State Department of Education does not approve, license, or accredit private elementary or secondary schools. The schools listed in this Directory are those certified as having submitted correct and complete affidavits and have requested to be listed in this directory.

*Questions regarding certification should be directed to the Demographics Unit, California State Department of Education, telephone number (916) 657-3812.*

Blank copies of Form R-4, the "Private School Affidavit" are available from:

**California Department of Education  
1430 N Street, Fourth Floor  
Sacramento, CA 95814**

Online information regarding private schools in California is available at:

<http://www.cde.ca.gov/PrivateSchools/>

For schools listed in this Directory, if the school did not indicate a religious affiliation, or does not affiliate with a religion, that space is blank. If the listed school is identified as offering special education programs for exceptional children, those programs are shown.

**Unless otherwise noted, the area code is (831)**
