On Our Cover - Get On Board to "Stuff the Bus" !

The first day of school is filled with combination of excitement and anxiety-especially for students in need. Arriving at school with a new backpack and all of the school supplies the student will need to get off on the right start can be difference between self-confidence and self-consciousness.

"Stuff the Bus" is the United Way of Monterey County's annual school supply drive. It is a countywide effort to gather school supplies for elementary and middle school homeless students who would not otherwise be able to afford them.

The cover photo of this year's Directory shows some of the 80 volunteers who gathered on August 4, 2012 to fill over 1,360 backpacks with school supplies. In the previous year (2011) over 600 filled backpacks were distributed.

The average family annually spends \$600 per child to send their children back to school ready to learn. There are more than 3,500 students in Monterey County who are homeless or in great need and cannot afford the supplies they need for school.

To help send these kids back to school fully equipped to succeed, the United Way of Monterey County and the Monterey County Office of Education partner in this effort. In preparing for the United Way's drive, the Monterey County Office of Education works with local school districts to distribute the filled backpacks to the students who most need them.

The campaign to raise school supplies is held throughout the summer. If you would like to participate in donating school supplies, please telephone 831.372.8026, extension 13.

DIRECTORY OF NON-PUBLIC SCHOOLS

California State Education Code Section 33190 requires all private elementary and high schools to annually register with the State Superintendent of Public Instruction. Education Code Section 48222 provides that attendance at a private school exempts a child from compulsory attendance at a public school only if the private school has met the requirements of Education Code Section 33190.

The California State Department of Education does not approve, license, or accredit private elementary or secondary schools. The schools listed in this Directory are those certified as having submitted correct and complete affidavits and have requested to be listed in this directory.

Questions regarding certification should be directed to the Demographics Unit, California State Department of Education, telephone number (916) 657-3812.

Blank copies of Form R-4, the "Private School Affidavit" are available from:

**California Department of Education
1430 N Street, Fourth Floor
Sacramento, CA 95814**

Online information regarding private schools in California is available at:

<http://www.cde.ca.gov/PrivateSchools/>

For schools listed in this Directory, if the school did not indicate a religious affiliation, or does not affiliate with a religion, that space is blank. If the listed school is identified as offering special education programs for exceptional children, those programs are shown.

Unless otherwise noted, the area code is (831)
